

# Making Birdfeeders

Find out which types of birds you have in your area by doing a bird watch. List here...

Research what these birds like to eat and list here...

Decide whether you will buy or make your bird food. Explain here...

Collect together materials which you have around your home and list...

Design your bird feeder here...

Ensure you keep an eye on your birdfeeder and watch them feed.

*Which birds did you see?*

*Has the birdfeeder brought more birds into the garden?*

*Do they have a preferred feed?*

*Who else could you make a bird feeder for?*

*Why not look at these guys for inspiration...*
